The latest issue of Family Business Publishing's magazine has some great ties to the center. Our board chair, [Paddy McNeely](#), recognized as a family leader to watch; board member and executive fellow, [Mary Daugherty, CFA, PhD](#), celebrating her family business's 100th anniversary; and [Larry Hause](#), a local advisor and supporter of the ours, sharing expertise on board term limits. That whole line about the company you keep? Our center's got a good thing going... [#familybusiness](#) [#businessfamily](#)
